Melker Impex Private Limited is incorporated on 02 December 2016. It is formed with the intention to support Agri-based food processing and export/import of related goods as well as components.

The company has recently forayed into the business of Privilege cards which is targeted for the consumers who are price conscious and looks for discounts from Quality stores as well as Service providers covering a wide spectrum of business entities.

Melker is happy to have taken a path of excellent customer care and service, providing multiple services and products under different domains. We embarked on this voyage nearly 12 years back in 2011 and till date, the motto has been - Customer first!
